Love Commonwealth Contractors Safety Seminars? Have we got news for you:

JOIN us for an exciting **WEBINAR** with

KEEP your employees safe on the road.

**Learn key strategies to successfully implement
an effective safe driving program at your company.**

This webinar will be presented by Janet Brooking, Executive Director of DRIVE SMART Virginia & Rich Jacobs, Public Relations & Outreach Manager of DRIVE SMART Virginia.

DRIVE SMART Virginia was founded in 1995 with a mission to foster community partnerships, create educational campaigns, design and distribute educational materials, make presentations, attend outreach events, and advocate for traffic safety initiatives.

This top-notch session will give you practical, no-nonsense, on-the-job education to help effect change within your company.
